### **DISCUSSION**

This ordinance was introduced for first reading at the April 16, 2025, City Council meeting. This is the required second reading and adoption. The ordinance will become effective 30 days from the date of adoption.

At the April 16, 2025 City Council meeting, the City Council also provided direction to include the requirement of a procurement manual that is consistent with applicable laws, rules, and regulations, to assist staff in implementing City procurement procedures. That manual would be evaluated and updated, at a minimum of every three years, or as necessary. The attached resolution for the Council's consideration memorializes that requirement.
