**Subject: Proposal to Provide Contract Planning Services for the Legado Project
339 Acres North of Chambers Ave and East of Encanto Drive in Menifee, California
92692**

Rincon Consultants, Inc. (Rincon) is pleased to provide this proposal to assist the Community Development Department with senior-level contract planning services for the Legado Project. Our contract planning team has provided similar services to local planning agencies throughout California. Rincon staff's statewide planning expertise and familiarity with the City of Menifee's ordinances, policies, processes and our planner's history on the Legado Project make us well-suited for this effort.

Background

The Legado Specific Plan was approved by the City of Menifee in June of 2020. The project encompasses 339 acres of land north of Chambers Avenue, east of Encanto Drive, south of Rouse Road and west of Antelope Road. The project included the approval/adoption of a Specific Plan, Development Agreement, Environmental Impact Report, three (3) tentative tracts maps (one for financing and two for the subdivision of the property into 1,022 single family residential lots), and landscaping and park plans. The Project Manager, Lisa Gordon (former City staff), processed the project during the entitlement and post entitlement phases of the development; however, there are still post-entitlement applications related to the project that are not complete. Lisa Gordon is now employed with Rincon Consultants, Inc. and the City of Menifee has an existing contract with Rincon for On-call Planning Services. The City of Menifee has requested an additional contract with Rincon so that Lisa Gordon may continue to work on the project, as she has years of institutional knowledge and experience related to the overall project.

Scope of Work

Rincon will provide a contract planner to process and review applications, plans and permits related to the Legado Development, including but not limited to park plans, lighting plans, landscaping plans, precise grading, final maps, building permits and other plot plans. The contract planner will review applications, plans and permits for consistency with the adopted Specific Plan and entitlements, including conditions of approval and the adopted Development Agreement. The contract planner will also review plans for consistency with the Mitigation Monitoring and Reporting Plan and document mitigation compliance. Annual reviews related to the Development Agreement may also be processed and reviewed by the contract planner. Attendance at bi-weekly meetings to discuss project status updates may also be required.

City of Menifee
Proposal to Provide Contract Planning Services for the Legado Project

Assumptions

- City staff will provide access to materials and documents needed to conduct a thorough review.
- Meetings will take place virtually.
- The actual tasks to be completed by the contract planner are not specifically defined and additional fees may be needed depending on actual applications, permits and plans submitted by the developer and if the initial contract amount of \$5,000 is insufficient to cover contract planning staff and billing staff time.

Cost

The estimated budget for this assignment would be \$5,000. Billing rates are pursuant to the Agreement for Professional Services between the City and Rincon dated May 2, 2022. We are prepared to initiate work immediately upon execution of a contract and receipt of a notice to proceed.

Thank you for your consideration and for this opportunity to support your project. If you have any questions regarding this proposal, please contact Lisa Gordon at (951) 202-9230 or lgordon@rinconconsultants.com, or Brenna Weatherby at (760) 205-2097 or bweatherby@rinconconsultants.com.
