

RESOLUTION NO. 24_____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MENIFEE, CALIFORNIA,
AMENDING THE ADOPTED ANNUAL BUDGET FOR FISCAL YEAR 2024/2025**

WHEREAS, on June 21, 2023, the City of Menifee (“City”) formally adopted its first two-year (biennial) budget plan identifying the projected revenues and expenditures for the upcoming two fiscal years (Fiscal Year (“FY”) 2023/2024 and FY2024/2025); and

WHEREAS, the biennial budget process incorporates two mid-year reviews at approximately six-month intervals to revisit and recalibrate the budget estimates and projections as necessary, as well as one mid-cycle review at the end of Year 1 during which the City Council of the City of Menifee (“City Council”) receives an update on revenue and expenditure assumptions, fund balances and possible recommended adjustments to the budget; and

WHEREAS, incorporated as part of the biennial budget processes are various public meetings, intended to provide the public an opportunity for engagement in the budget development process, and to provide any feedback; and

WHEREAS, on May 15, 2024, the City Council reviewed the recommended FY 2024/2025 mid-cycle budget adjustments, including adjustments to the Operating Budget and Capital Improvement Program (“CIP”) for the upcoming fiscal year; overall, the FY2024/2025 mid-cycle adjustments reflect some revenue and expenditure adjustments required to meet existing commitments and/or mission critical operations/projects; and

WHEREAS, the City Council has reviewed the revised budget as prepared and submitted by the City Manager of the City of Menifee (“City Manager”), and as modified by the City Council, for FY2024/2025 (“Amended Annual Budget”).

NOW, THEREFORE, the City Council of the City of Menifee, California, does hereby RESOLVE, DETERMINE and ORDER as follows:

SECTION 1: The City Council hereby approves and adopts the Amended Annual Budget as presented herewith.

SECTION 2: In connection with its approval of the Amended Annual Budget, the City Council provides the following additional authorizations, directions, and determinations:

- A. The operating and capital budget amounts are hereby authorized for the 2024/2025 fiscal year by fund, as listed on Exhibit A.
- B. From the effective date of the Amended Annual Budget, the total amount as stated therein for each fund shall be appropriated subject to expenditure pursuant to all applicable ordinances of the City and statutes of the State.
- C. Appropriations are approved at the fund level. The City Manager, or if designated by City Manager, the Chief Financial Officer and/or the Deputy Finance Director, may transfer appropriations between departments and within their respective funds, as long those appropriations do not exceed their fund appropriation total, unless approved by Council.
- D. At the close of the fiscal year, unexpended appropriations in the operating budget will be unencumbered, except as listed in sub-paragraphs E, F, and G, below.

- E. Unexpended appropriations for authorized, ongoing but uncompleted projects, including CIP projects, grant-funded programs/projects previously approved by the City Council may be carried forward to the next succeeding budget year upon the conclusion of the preceding fiscal year and upon approval of the City Manager. Unexpended appropriations, for authorized projects approved by City Council and not yet started, will be transferred to an assigned fund balance reserve account and held there until such time as the project is ready to move forward or the City Council takes action to reallocate the funds to another project or unassigned fund balance. Authorized, ongoing but incomplete projects, includes, in addition to those described above, the following: projects funded with restricted/specific assigned fund balance, including but not limited to, General Plan Maintenance Fee, Technology Surcharge, vehicle purchases, and/or one-time Council approved projects, including but not limited to, Strategic Plan projects/items, and City Council approved community programs.
- F. Purchase orders exist as outstanding encumbrances representing contractual obligations of previously budgeted funds (“Outstanding Encumbrances”). Outstanding Encumbrances may be carried forward to the next succeeding budget upon approval by the City Manager.
- G. Revenues with carry-over expenditures, such as grant, Transportation Uniform Mitigation Fee program, and/or California Environmental Quality Act developer deposits revenues not yet received, but expected to be received as expenses are realized, may carry-over to the next succeeding budget upon approval by the City Manager.
- H. A summary of approved carried-over appropriations will be presented as part of the annual mid-year budget review process.
- I. Unexpended appropriations in the operating budgets of the special district funds previously approved by the City Council will be analyzed and transferred to capital replacement reserves as necessary to ensure that there are sufficient funds for future capital replacement items while leaving sufficient unreserved fund balance.
- J. To help mitigate current vehicle shortages and increasing prices, the City Manager may execute agreements and/or issue purchase orders for approved appropriations specific to vehicle purchases and leases, provided corresponding purchasing requirements are met.
- K. A summary of approved vehicle purchases and/or leases will be presented as part of the annual mid-year budget review process and in June of each year.
- L. The City Manager may establish Self-Insured Retention & Insurance Premium Assigned Fund Balance Account with a minimum amount of \$500,000, Fleet Replacement Assigned Fund Balance Account with a minimum amount of \$1,000,000, Public Facilities Assigned Fund Balance Account with a minimum amount of \$3,700,000 with identified surplus unassigned fund balance, and Pension Liability Assigned Fund Balance Account based on identified expenditure savings identified beginning with the FY2023/2024 budget.
- M. Total appropriations within any individual fund will be will be increased only by amendment of the budget by motion of the City Council.
- N. The City Manager may reduce expenditure appropriations within funds as a method of fiscal control, and the Chief Financial Officer may decrease revenue estimates to reflect economic change within the fiscal period.

- O. The Chief Financial Officer and the Deputy Finance Director are hereby authorized to transfer monies in accordance with the inter-fund transfers listed in said budget, and to transfer monies to cover operational expenditures of the City through transfers of funds in such amounts, and at such times during the fiscal year as may be determined necessary to the competent operation and control of City business, or to provide adequate cash flow, except that no such transfers shall be made in contravention of State law or City ordinances.

- P. Adjustments made by the City Council during the budget hearing and documented in the minutes for this action will be incorporated with the final printed budget document. The City Manager is hereby authorized to approve any corrections in the budget document that are clerical in nature.

SECTION 3: The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original resolutions.
