

RESOLUTION NO. 24-___

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MENIFEE, CALIFORNIA,
MODIFYING FEES AND CHARGES FOR SERVICES PROVIDED BY THE CITY OF
MENIFEE**

WHEREAS, the City of Menifée provides development related public services of a discretionary nature, as these services can be withheld from customers for non-payment, which are in addition to community supported public services that are paid for by City tax revenues for general social, safety or welfare reasons; and

WHEREAS, the City of Menifée adopted a comprehensive fee schedule by Resolution 22-1229 on October 5, 2022, and now desires to adjust certain fees and charges based on the reasonable costs borne by the City to provide such services; and

WHEREAS, the State of California Government Code Section 66014 et.al. allows local agencies to charge fees for various activities as long as those fees do not exceed the estimated reasonable cost of providing the services for which the fee is intended; and

WHEREAS, the City Council conducted a duly noticed public hearing on May 15, 2024, where the public was allowed to comment and provide input on the proposed fees and charges for services.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Menifée hereby makes the following findings:

Section 1. It is hereby found and determined that the new fees and charges and/or fee adjustments set forth in Exhibit A attached hereto do not exceed the estimated reasonable costs of providing services for which the fee is charged or the estimated amount required to provide the service for which the fee or charge is levied; and

Section 2. The City Council hereby approves Exhibit A - "2024 New Fees and Charges and/or Fee Adjustments" to be included and incorporated as part of the existing comprehensive fee schedule as adopted in October 2022; and

Section 3. The user fees shall be subject to an automatic annual adjustment on July 1st of each year with the first adjustment on July 15, 2024, based on the Consumer Price Index (CPI)- All Urban Consumers- Riverside, San Bernardino-Ontario, CA, not to exceed 4%, based on a January to January index, as identified in Exhibit B. The City Manager is hereby authorized to implement the CPI adjustment each year without further action of the City Council.

Section 4. The adoption of this Resolution is exempt from the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), because it approves and sets forth a procedure for determining fees for the purpose of meeting the operating expenses of City departments, as set forth in Public Resources Code Section 21080(b)(8)(A).

Section 5. The proposed new user fees and/or fee adjustment and first annual fee adjustment will go into effect July 15, 2024; and

Section 6. In addition to such fees and charges in Exhibit A and Exhibit B attached hereto, the City shall impose those fees and charges for services such as photocopying of designated records, responses to subpoenas, and similar services, established by enacted State legislation, promulgated State regulation, and orders of determinations issued by State agencies, the County of Riverside, or other regional agencies having jurisdiction over the activities or functions to which such fees or charges relate. The City shall charge the amount or rate of such fees and charges that are in effect as of the date of the fee or charge is imposed or billed by the City.

Section 7. This Resolution shall be effective upon its adoption.
