**Park Land Dedication and In Lieu Payment Obligations**

- Developers Quimby Act/City Code Obligation = 10.77 acres (756 DUs (or final maximum lot count per the approved Specific Plan) x 2.85 persons per DU = 2,154.6 persons; @ 5 acres/1000 persons= 10.77 acres).
- Specific Plan Proposed Park (Sports Park) Total = 10.19 acres (City owned and maintained community park in Planning Area 4)
- *Quimby in lieu payment due to City for 0.58 acres of parkland* (10.77 acre requirement less 10.19 acre dedication), which shall be calculated based

#### **Park Improvement Obligation and Park DIF Credits**

- Current Estimated Park Improvement Costs: 10.19-acre fully improved, dedicated multi-purpose community park with Sports Park in Planning Area 4 = \$5,509,672<sup>1</sup>
- The above calculated improvement costs are estimates only and shall not be used as any basis for limitations of park improvements.
- Based on the above formula and obligation, Developer shall be entitled to credits from the parks component of the City-wide Impact Fee (“**Park DIF**”) for the final verified costs of the Sports Park.
- Developer shall pay the applicable per unit in Park DIF at each certificate of occupancy until City approval of the final verified costs of the Sports Park, at which time the Park DIF paid by Developer pursuant to this provision shall be refunded to Developer, but only to the extent of available credits as provided hereunder.
