TO: Mayor and City Council

PREPARED BY: Mariana Mitchell, Community Services Manager

REVIEWED BY: Rebekah Kramer, Deputy City Manager

APPROVED BY: Armando G. Villa, City Manager

---

### **RECOMMENDED ACTION**

1. Review information regarding past City-hosted 9/11 Memorial events and discuss potential options for a future events or recognition.

### **DISCUSSION**

In September 2024, the City Council requested a future agenda item to consider the creation of a September 11 tribute. On September 11, 2001, four commercial airliners were hijacked in one of the deadliest terrorist attacks in United States history. Two planes struck the Twin Towers in New York City, a third hit the Pentagon in Virginia, and a fourth, diverted by passengers, crashed in a Pennsylvania field. The attacks killed 2,977 people and had lasting impacts on the nation, leading to heightened security measures, changes in government operations, and ongoing health effects for thousands.

To honor the lives lost and those affected, the City of Menifee began hosting a 9/11 Memorial Ceremony in 2019. Over the years, the event has evolved based on the involvement of planning committee partners. Table 1 below provides an overview of the Memorial's history.

Several potential options for commemorating the events of September 11, 2001, have been identified for consideration including:

- **Establish an Annual 9/11 Memorial Ceremony** – Establishing an annual commemorative event, either as a standalone City-led program or in partnership with local organizations, first responders, and community groups.
- **Establish a 9/11 Day of Service** – Encouraging community members to participate in acts of service, such as volunteering, donation drives, or beautification projects, as a way to honor the spirit of unity and resilience demonstrated in the aftermath of 9/11.
- **Incorporate a Memorial into a City Park or City Facility** – Explore opportunities to integrate a permanent memorial at a location within the city such as a city park or facility.
- **Support Regional 9/11 Commemorations** – Partnering with other government agencies or non-profit organizations to promote/support existing memorial events in the region.

While cities in Riverside County, such as Riverside and Norco, host annual 9/11 memorial events to honor victims and first responders, there is not a widely recognized regional initiative that the City can formally support. City staff are seeking input and direction from the City Council regarding the options presented or other alternatives for consideration/discussion.

### **STRATEGIC PLAN OBJECTIVE**

Community Engagement and Social Infrastructure

### **FISCAL IMPACT**

There is no fiscal impact associated with the recommended action. The cost impact associated with the establishment of a 9/11 tribute would be based upon the memorial recognition program parameters.

### **ATTACHMENTS**

None.
