8:30:00AM

CAL FIRE / Riverside County Fire units responded to an inaccessible rescue to a person in critical distress at the location given. Menifee Lakes Engine 76 was the first arriving unit and coordinated the remote area rescue of an adult male unconscious and not breathing. Menifee Lakes Truck 76 made access to the patient and began CPR and advanced life saving measures. The patient regained pulses and breathing on scene and was hoisted to a landing zone using STAR 9 helicopter. The patient was transported by ground ambulance to the hospital in critical distress.

3:01:00PM

Cal Fire / RCOFD responded to a reported water leak at the above address. The water leak originated in restroom/toilet of suite#309. The leak caused damage to suite#200 and suite# 100. The property management company was notified and responded to the incident. The management company contacted a restoration company to address the damage caused. During the investigation, a door was damaged in suite#309 due to the fact they did not have a key for their suite in the KNOX box key ring. The occupant was inside the suite at the time but did not hear the fire department call out.
