  - For more information, please see DOE’s Equipment Voucher Reporting webinar [recording](#) and [slides](#).
- Per the Handbook: “Following application approval, eligible entities have up to two years to use their EECBG Program voucher funds with the option to request a no-cost extension.”
- Once your entire project is complete and all costs paid, see the attached Post-Installation User Guide for instructions on requesting voucher reimbursement.
- You are invited to join an [EECBG Program Blueprint Cohort](#) to meet monthly with other EECBG governments across [13 clean energy topic areas](#) and learn from experts, discuss challenges/best practices, and answer questions. [Sign up here](#) to join a cohort relevant to your EECBG Program project or your community’s broader clean energy goals. *Have a question about the cohorts?
