E. FUTURE ANNEXATIONS

It is anticipated that additional properties will be annexed to CFD No. 2017-1 from time to time. As each annexation is proposed, an analysis will be prepared to determine the annual cost for providing Services to such properties. Based on this analysis, any properties to be annexed, pursuant to California Government Code section 53339 et seq. will be assigned the appropriate Maximum Special Tax rates for the Tax Zone when annexed and included in Appendix A.

F. DURATION OF SPECIAL TAX

For each Fiscal Year, the Special Tax A shall be levied as long as the Services are being provided.

For each Fiscal Year, the Special Tax B (Contingent) shall be levied as long as the Contingent Services are being provided.

G. EXEMPTIONS

The City shall classify as Exempt Property within CFD No. 2017-1, all Assessor's; (i) which are owned by, irrevocably offered for dedication, encumbered by or restricted in use by any public entity; (ii) with public or utility easements making impractical their utilization for other than the purposes set forth in the easement; (iii) which are privately owned but are encumbered by or restricted solely for public uses; or (iv) which are in use in the performance of a public function as determined by the Administrator.

H. APPEALS

Any property owner claiming that the amount or application of the Special Taxes are not correct may file a written notice of appeal with the City not later than twelve months after having paid the first installment of the Special Tax that is disputed. The Administrator of CFD No. 2017-1 shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the Administrator's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made, but an adjustment shall be made to the Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s).

I. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 2017-1 may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations.
