The estimated cost of said work and improvements is the sum of Five hundred eighty four thousand five hundred and no/100 Dollars (\$ 584,500.00).

SECOND: Developer agrees to pay to City the actual cost of such inspections of the work and improvements as may be required by the City Engineer. . Developer further agrees that, if suit is brought upon this agreement or any bond guaranteeing the completion of the water system improvements, all costs and reasonable expenses and fees incurred by City in successfully enforcing such obligations shall be paid by Developer, including reasonable attorney's fees, and that, upon entry of judgment, all such costs, expenses and fees shall be taxed as costs and included in any judgment rendered.

THIRD: City shall not, nor shall any officer or employee of City, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this agreement prior to the completion and acceptance thereof, nor shall City or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Developer, its agents or employees, in the performance of the work, and all or said liabilities are assumed by Developer. FOURTH: The Developer hereby grants to City, or any agent or employee of City, the irrevocable permission to enter upon the lands of the subject land division for the purpose of

SIXTH: Developer, its agents and employees, shall give notice to the City Engineer at least 48 hours before beginning any work and shall furnish said City Engineer all reasonable facilities for obtaining full information with respect to the progress and manner of work.

SEVENTH: If Developer, its agents or employees, neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the specified time, or within such extensions of time which have been granted by City, or if Developer violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, Developer shall be in default of this agreement and notice of such default shall be served upon Developer. The foregoing provisions of this section shall be in addition to all other rights and remedies available to City under law. The failure of the Developer to commence construction shall not relieve the Developer or surety from completion of the improvements required by this agreement.

EIGHTH: Developer agrees to file with City, prior to the date this agreement is executed, a good and sufficient improvement security in an amount not less than the estimated cost of the work and improvements for the faithful performance of the terms and conditions of this agreement, and good and sufficient security for payment of labor and materials in the amount prescribed by Article XVII of Riverside County Ordinance 460 or any successor thereto to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California. Developer further agrees to maintain the aforesaid bond or bonds in full force and effect during the terms of this agreement, including any extensions of time as may be granted therein.

TENTH: It is understood and agreed by the parties hereto that if any part, term or provision of this agreement is by the courts held to be unlawful and void, the validity of the remaining portions

shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain that particular part, term or provision held to be invalid.
