

CITY OF MENIFEE

SUBJECT: Pedestrian/Bike Path Connectivity Update

MEETING DATE: October 19, 2022

TO: Mayor and City Council

PREPARED BY: Carlos Geronimo, Principal Engineer

REVIEWED BY: Nick Fidler, Public Works Director

APPROVED BY: Armando G. Villa, City Manager

RECOMMENDED ACTION

1. Receive presentation and program updates from staff.

DISCUSSION

The City Council has requested an update on the various transportation and connectivity projects that support, expand, and enhance pedestrian and bike path opportunities throughout the City. This presentation is being provided to educate the public on current City projects that serve to provide these types of multimodal options.

STRATEGIC PLAN OBJECTIVE

Safe and Attractive Community

FISCAL IMPACT

There is no fiscal impact associated with this item.
