CITY OF MENIFEE LEGISLATIVE PLATFORM

PURPOSE

The primary purpose of a Legislative Platform is to adopt official City positions on matters affecting the City at the local, regional, state and federal levels. The approved platform allows City staff and legislative advocates to address and track issues in a timely manner pursuant to established procedures.

The platform was developed based on Menifee's historical actions (resolutions, minutes, letters) on legislative issues, policies and guiding principles from the League of California Cities, and departmental review. The following seven categories have been utilized incorporating related topics.

- Community Services
- Environmental Quality
- Governance, Transparency & Labor Relations
- Housing, Community & Economic Development
- Public Safety
- Revenue & Taxation
- Transportation, Communications & Public Works

OVERARCHING GUIDELINES

1. Preservation of Local Control

Support measures that preserve and protect the City's general law powers and duties to enact legislation and policy direction concerning local affairs. Oppose measures that reduces, eliminates, preempts local control or authority, or conflicts with other legislative priorities.

2. Promotion of Fiscal Stability

Support measures that promote fiscal stability, predictability, and financial independence. Support measures that preserve and promote the City's revenue base. Oppose measures that shift local funds to the County, State, or Federal government without offsetting benefits or imposes penalties on cities.

3. Support Funding Opportunities

Support measures that allow the City to compete for its fair share of regional, State, and Federal funding including competitive grants and other funding programs. Support measures that promote dedicated funding streams at the regional, State, and Federal levels allowing the City to maximize local revenues, offset and leverage capital expenditures, and maintain City goals and standards.

Location

The City of Menifee, California is located in the southwestern region of Riverside County, approximately 12 miles north of the City of Temecula and 30 miles south of the City of Riverside along Interstate Highway 215. The City of Menifee is roughly 50 square miles in size with a current population of just over 112,000 residents and is anticipated to reach 117,000 over the next two years (Derrigo 2022).

Incorporated on October 1, 2008, the City of Menifee includes the communities of Menifee, Menifee Lakes, Sun City, Quail Valley, Paloma Valley, and portions of Romoland.

Desirability

Safety

Menifee was recently recognized by Safewise.org. as one of the safest cities in California. Menifee leadership is committed to maintaining this standard. Public safety is a priority for the City Council. The City furthered this commitment by launching the Menifee Police Department on July 1, 2020.

Livability

Menifee is close to everything California. Its family-oriented community, natural setting, and sweeping vistas make it a fantastic city in which to live, work, and play.

Schools

Menifee schools are ranked 2nd in Academic Achievements in Riverside County and 1st in science-based learning. With incoming young families in Menifee at record numbers, Menifee school districts are adding schools to keep pace with Menifee's booming population. There are 5 future schools planned within the City limits, including 4 elementary schools and 1 middle school. A new high school, Liberty High School, is now open.

CITY OF MENIFEE LEGISLATIVE PLATFORM

College Town Menifee is proud to be recognized as a “*College Town*.” Menifee is home to the fastest growing California Community College, Mt. San Jacinto Community College (MSJC). MSJC is currently in construction at the Menifee campus with a 5,000-seat stadium, providing for the largest on-field outdoor event space. The facility will support MSJC’s award-winning athletic program and host community events and concerts. With a concentration on Science and Technology in the City, MSJC is currently constructing a \$40 million STEM building which will house labs and support programming to provide the skilled workforce for the incoming labor pools. The college recently invested \$11 million in renovations with campus improvements and technology, resulting in a \$700 million regional impact. Menifee also houses higher education universities, such as Brandman University and Bellevue University.

Economic Development

Booming Population

A growing economic powerhouse, Menifee has the largest regional draw of over 1.2 million people. Recognized as the number one Boomtown in California and 5th in the nation, Menifee has a 3.5 percent growth rate per year and is attracting young professional and families that are clamoring for shopping, dining, and entertainment amenities in their own community. As more developers are discovering this unique situation, Menifee is buzzing as the new hot spot in Riverside County.

New Upscale Housing Menifee’s housing capacity continues to grow, catering to incoming young families. There are 24 new residential projects under construction, with about 21 more in the pipeline. 2,500 new homes are expected to be built by 2024. There are estimated to be more than 45,000 households in Menifee by the end of 2025.

Young, Skilled Workforce Young and eager, the Menifee area has an abundant, skilled workforce available. With 58.3% of the population between the ages of 18 and 44, these residents are ready for employment close to home.

Attractive Business Incentives Constantly seeking new and innovative ways to partner with our business community to contribute to Menifee’s thriving economy, the City of Menifee offers attractive business incentives for incoming businesses that appeal to the community needs and desires.

Commitment to Infrastructure Menifee understands how circulation plays a vital role in the quality of life of our residents and businesses success. In May 2022, the City’s Capital Improvement Program (CIP) was approved by the City Council and reflects a commitment to Park, Infrastructure, and Circulation Improvement projects over the next five years, aimed at improving the quality of life for residents and making it easier to do business in Menifee.
