

RESOLUTION NO. 23-___

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MENIFEE,
CALIFORNIA ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR
2023/2024 FUNDED BY SENATE BILL 1: THE ROAD REPAIR AND
ACCOUNTABILITY ACT OF 2017**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt, by resolution, a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive an estimated \$2,312,552 in RMRA funding in Fiscal Year (FY) 2023/2024 from SB 1; and

WHEREAS, this is the seventh year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a public process through two public Capital Improvement Program workshops where pavement management projects were discussed to ensure public input into our community's project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate two arterial road segments, and support the FY 2023/2024 citywide Residential Street Program by resurfacing existing deteriorated roads throughout the City this year and similar projects into the future; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in an "good" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "excellent" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of the City of Menifee, State of California, as follows:

1. The foregoing recitals are true and correct.
2. The following list of newly proposed projects will be funded in-part or solely with FY 2023/2024 RMRA revenues:
 - **FY 2023/2024 Local Road AC Resurfacing Program** - This project proposes to perform a header grind and resurface existing residential streets using the Asphalt Rubber Aggregate Membrane (ARAM) method, capped with a thin layer of asphalt hot mix. Additionally, the project proposes to upgrade existing curb ramps to current standards and re-stripe the roadway. The project work locations vary amongst local streets within the City of Menifee. Construction is estimated to begin in April 2024, and be completed by June 2024. This project will have a useful life of 12-15 years.
 - **Menifee Road Resurfacing (Simpson Road to McCall Boulevard)** - This project proposes to grind and overlay this section of Menifee Road and resurface with Asphalt Rubber Hot Mix (ARHM), replacing 1.5" of existing asphalt. Additionally, the project will upgrade existing curb ramps to current standards and re-stripe the roadway. Construction is estimated to begin in March 2024, and is expected to be completed by June 2024. This project will have a useful life of 15-years.
 - **Mapes Road Resurfacing (Sherman Road to Antelope Road)** - This project proposes to reconstruct the entire roadway surface through a Cold-in-Place Recycling (CIR) method which will grind up to 4" of the existing asphalt pavement and mix it with additives. The base course will be capped with a new 1.5" asphalt concrete overlay. Additionally, the project will widen the existing shoulder to provide safety for motorists / pedestrians and install new striping. Construction is estimated to begin in May 2024, and be completed by July 2024. This project will have a useful life of 20-years.
