DISCUSSION

The City of Menifee proactively seeks to mitigate losses resulting from manmade or natural catastrophic events and has regularly applied for Federal Emergency Management Agency (FEMA) grants. On January 25, 2023, the City was awarded FY22 Emergency Management Performance Grant Program (EMPG) with an allocation of \$24,362 for the purchase of a generator which is a critical piece of equipment used during emergencies. This grant has a performance period of January 25, 2023, to December 31, 2023, and requires a dollar-for-dollar match which the City will fulfill with an in-kind (staff time) match.

The EMPG grant requires a new resolution indicating the explicit fiscal year and title of the grant. Therefore, the City is asking for adoption of the resolution titled, *A Resolution of the City Council of the City of Menifee, California, authorizing certain City Officials of the City of Menifee or designee to apply for the Fiscal Year 2022 EMPG Program.*
