DISCUSSION

On September 27, 2018, the State of California approved Senate Bill (SB) 1205. SB1205 requires City and County Fire Departments provide an annual compliance report to its administering authority. The adoption of the attached resolution is required to acknowledge receipt of the report.

Health and Safety Code sections 13145 and 13146 mandates City and County Fire Departments enforce building standards adopted by the State Fire Marshal. Included in these standards are requirements for annual inspections of hotels, motels, lodging houses, and apartment houses, as well as private and public schools.

The City of Menifee Fire Department assures compliance of these facilities by scheduling inspections with property owners during the properties' assigned inspection dates. The Fire Department has completed the required inspections of all known facilities as mandated by SB 1205 for Fiscal Year 2022/2023.
