### **RECOMMENDED ACTION**

Approve a Resolution authorizing the Non-active Member Health Contract between the City of Menifee and the California Public Employees' Retirement System (CalPERS), allowing CalPERS Retiree health coverage.

### **DISCUSSION**

The City offers health coverage to its full-time employees and elected council members, as well as the option to provide coverage to their families. Upon the City's incorporation, the City entered into a health contract with CalPERS to provide such coverage. The City adopted Resolution No. 09-90 to participate in a health care coverage under the Public Employees' Medical and Hospital Care Act (PEMCHA).

Resolution No. 09-90 states in part that "the Public Agency desires to obtain for the members of CalPERS Miscellaneous Group, (employees, council members and future employee annuitants of the City) the benefit of PEMCHA..." and the City now desires to adopt a resolution authorizing additional membership to include non-active CalPERS members, which will allow CalPERS retiree health coverage.

### **STRATEGIC PLAN OBJECTIVE**

### **FISCAL IMPACT:**

There is no fiscal impact associated with the recommended action.
