SUBJECT: Proposed Formation of Community Facilities District No. 2025-2, Quartz Trail

MEETING DATE: February 5, 2025

TO: Mayor and City Council

PREPARED BY: Lauri Lockwood, Financial Analyst

### **RECOMMENDED ACTION**

1. Adopt resolution of intention to establish Community Facilities District No. 2025-2, Quartz Trail, located southeast of Evans Road and Holland Road; and
2. Adopt a resolution of intention to incur bonded indebtedness for Community Facilities District No. 2025-2, Quartz Trail.

### **DISCUSSION**

TPG AG EHC SD (LEN) CA 1, L.P., a Delaware limited partnership (the “Owner”) and Lennar Homes of California, LLC (the “Developer”), are proposing to develop a residential community of 80 homes on approximately 26 gross acres within the City. The property is located southeast of Evans Road and Holland Road, as shown in the attached Location Map. The Owner has requested that the City form a Community Facilities District (“CFD No. 2025-2”) in accordance with the Mello-Roos Community Facilities Act of 1982, as amended, to finance the costs of certain public improvements through the levy of a special tax and the issuance of bonds in an amount not-to-exceed \$7 million. Any bonds issued by CFD No. 2025-2 would not be obligations of the City and would be secured solely by the Special Taxes levied in CFD 2025-2.

The Owner has requested that the boundaries of CFD No. 2025-2 include the area described in Exhibit A of the Resolution of Intention to Establish CFD No. 2025-2 (the “Resolution of Intention”) and that special taxes be levied within the boundaries of CFD No. 2025-2 in accordance with the Rate and Method of Apportionment (the “RMA”) as described in Exhibit C to the Resolution of Intention.

This proposed CFD No. 2025-2 was presented to the Finance Committee in November 2024 and was recommended for submittal to the City Council for review.

The Resolution of Intention is the first step in the process to form CFD No. 2025-2. The attached resolutions declare the City's intention to establish CFD No. 2025-2, the intention to incur bonded indebtedness by CFD No. 2025-2 and call for a public hearing. If the resolutions are approved, a public hearing on the matter would take place on April 2, 2025, and at that time the City Council would formally consider approving the formation of CFD No. 2025-2, and holding an election on the proposed special taxes and the incurring of bonded indebtedness within CFD No. 2025-2.

The Developer may request that the City enter into a joint community facilities agreement (the "JCFA") with the Developer and Eastern Municipal Water District relating to certain facilities proposed to be financed by CFD No. 2025-2 and owned and operated by Eastern Municipal Water District. If the decision is made to finance facilities of Eastern Municipal Water District, the JCFA will be entered into prior to the approval of the issuance of bonds pursuant to the Act.

The Developer is proposing that CFD No. 2025-2 include 80 residential units. The home sizes in CFD No. 2025-2 are planned to range from approximately 2,767 to 4,134 square feet. The total effective tax rate is estimated to range from 1.79% to 1.81% of projected home prices, which is the allowable tax rate limit in the City's Financing Goals and Policies.

Under the RMA, the estimated assigned annual tax rates range from \$3,960 for home sizes less than 2,800 square feet to \$4,994 for home sizes greater than 4,000 square feet. Such rates would escalate at 2% per year.

The anticipated bond issuance amount based on estimated rates would be approximately \$5,630,000 which would cover a reserve fund, financing costs, and generate approximately \$4,780,000 in net bond proceeds for facilities. The proposed facilities that may be funded with proceeds of the bonds are currently estimated to be:

- \$253,780 – City priority facilities, a 20% premium for project-specific priorities
- \$1,268,900 – City Development Impact Fees
- \$1,069,354 – Landscape, trail and street improvements
- \$2,919,162 – Eastern Municipal Water District facilities

The amount of the foregoing facilities costs that exceed available bond proceeds would be funded by the Developer. In addition to the costs of the foregoing facilities, proceeds of the special tax may be expended to pay administrative costs.

### **STRATEGIC PLAN OBJECTIVE**

Regular City Business

### **FISCAL IMPACT**

The Developer made a deposit to pay for the costs of the formation proceedings, which may be reimbursed to the Developer in accordance with the reimbursement agreement to be entered into by the City with the Developer. CFD 2025-2 would annually levy special taxes on all of the taxable property within CFD 2025-2 in accordance with the RMA in order to pay for the costs of facilities, debt service on bonds and administration of CFD No. 2025-2. Any bonds issued by CFD No. 2025-2 would not be obligations of the City and would be secured solely by the Special Taxes levied in CFD 2025-2.

## **RESOLUTION NO. 25-**

### **RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF MENIFEE TO ESTABLISH COMMUNITY FACILITIES DISTRICT NO. 2025-2, QUARTZ TRAIL, OF THE CITY OF MENIFEE, TO AUTHORIZE THE LEVY OF A SPECIAL TAX TO PAY THE COSTS OF ACQUIRING OR CONSTRUCTING CERTAIN FACILITIES AND TO PAY DEBT SERVICE ON BONDED INDEBTEDNESS**

**WHEREAS**, the City of Menifee (the “City”) received a petition signed by the owner of more than ten percent of the land within the boundaries of the territory that is proposed for inclusion in a proposed community facilities district, which petition meets the requirements of Sections 53318 and 53319 of the Government Code of the State of California; and

**WHEREAS**, the City Council of the City (the “City Council”) desires to adopt this resolution of intention as provided in Section 53321 of the Government Code of the State of California to establish a community facilities district consisting of the territory described in Exhibit “A” hereto and incorporated herein by this reference, which the City Council hereby determines shall be known as “Community Facilities District No. 2025-2 (Quartz Trail) of the City of Menifee” (“Community Facilities District No. 2025-2” or the “District”) pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the Government Code (the “Act”) to finance (1) the purchase, construction, modification, expansion, improvement or rehabilitation of certain real or other tangible property described in Exhibit “B” hereto and incorporated herein by this reference, including all furnishings, equipment and supplies related thereto (collectively, the “Facilities”), which Facilities have a useful life of five years or longer, and (2) the incidental expenses to be incurred in connection with financing the Facilities and forming and administering the District (the “Incidental Expenses”); and

**WHEREAS**, the City Council further intends to approve an estimate of the costs of the Facilities and the Incidental Expenses for Community Facilities District No. 2025-2; and

**WHEREAS**, it is the intention of the City Council to consider financing the Facilities and the Incidental Expenses through the formation of Community Facilities District No. 2025-2 and the issuance of bonded indebtedness in one or more series in a maximum aggregate principal amount of \$7,000,000 with respect to the Facilities and the Incidental Expenses and the levy of a special tax to pay for the Facilities and the Incidental Expenses (the “Special Tax”) and to pay debt service on the bonded indebtedness, provided that the bond sale and such Special Tax levy are approved at an election to be held within the boundaries of Community Facilities District No. 2025-2; and

**WHEREAS**, the City desires to enter into a reimbursement agreement with Lennar Homes of California, LLC, a California limited liability company (the “Developer”), the form of which is on file with the City Clerk (the “Reimbursement Agreement”), to provide for the reimbursement of certain amounts advanced by the Developer in connection with the formation of the District; and

**WHEREAS**, the District and the Developer (and any land bank) propose to enter into a joint community facilities agreement (the “JCFA”) with Eastern Municipal Water District (the “Water District”) relating to certain facilities proposed to be financed by the District and owned and operated by the Water District, and the District expects to enter into the JCFA prior to the approval of the issuance of bonds pursuant to the Act.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Menifee, California does hereby determine and order as follows:

**Section 1.** The above recitals are true and correct.

**Section 2.** A community facilities district is proposed to be established under the terms of the Act. It is further proposed that the boundaries of the community facilities district shall be the legal boundaries as described in Exhibit "A" hereto, which boundaries shall, upon recordation of the boundary map for the District, include the entirety of any parcel subject to taxation by the District, and as depicted on the map of the proposed Community Facilities District No. 2025-2 which is on file with the City Clerk. The City Clerk is hereby directed to sign the original map of the District and record it with all proper endorsements thereon with the Assessor-County Clerk-Recorder of the County of Riverside within 15 days after the adoption of this resolution, all as required by Section 3111 of the Streets and Highways Code of the State of California.

**Section 3.** The name of the proposed community facilities district shall be "Community Facilities District No. 2025-2, Quartz Trail, of the City of Menifee."

**Section 4.** The Facilities proposed to be financed by Community Facilities District No. 2025-2 are public facilities as defined in the Act, which the City and the Water District, with respect to certain water and sewer facilities, are authorized by law to construct, acquire, own and operate. The City Council hereby finds and determines that the description of the Facilities herein is sufficiently informative to allow taxpayers within the proposed District to understand what the funds of the District may be used to finance. The Incidental Expenses expected to be incurred include the cost of planning and designing the Facilities, the costs of forming the District, issuing bonds and levying and collecting the Special Tax within the proposed District. The Facilities may be acquired from one or more of the property owners within the District as completed public improvements or may be constructed from bond or Special Tax proceeds.

All or a portion of the Facilities may be purchased with District funds as completed public facilities pursuant to Section 53314.9 or as discrete portions or phases pursuant to Section 53313.51 of the Act and/or constructed with District funds pursuant to Section 53316.2 of the Act. Any portion of the Facilities may be financed through a lease or lease-purchase arrangement if the District hereafter determines that such arrangement is of benefit to the District.

**Section 5.** Except where funds are otherwise available, it is the intention of the City Council to levy annually in accordance with the procedures contained in the Act the Special Tax, secured by recordation of a continuing lien against all nonexempt real property in the District, sufficient to pay for: (i) the Facilities and Incidental Expenses; and (ii) the principal and interest and other periodic costs on bonds or other indebtedness issued to finance the Facilities and Incidental Expenses, including the establishment and replenishment of any reserve funds deemed necessary by the District, and any remarketing, credit enhancement and liquidity facility fees (including such fees for instruments that serve as the basis of a reserve fund in lieu of cash). The rate and method of apportionment and manner of collection of the Special Tax are described in detail in Exhibit "C" attached hereto,

which Exhibit “C” is incorporated herein by this reference. Exhibit “C” allows each landowner within the District to estimate the maximum amount of the Special Tax that may be levied against each parcel. In the first year in which such Special Tax is levied, the levy shall include an amount sufficient to repay to the District all amounts, if any, transferred to the District pursuant to Section 53314 of the Act and interest thereon.

If the Special Tax is levied against any parcel used for private residential purposes, (i) the maximum Special Tax rate shall be specified as a dollar amount that shall be calculated and established not later than the date on which the parcel is first subject to the Special Tax because of its use for private residential purposes and shall not be increased over time, except as set forth in Exhibit “C” hereto, (ii) such Special Tax shall not be levied after fiscal year 2070-2071, as described in Exhibit “C” hereto, and (iii) under no circumstances will the Special Tax levied in any fiscal year against any such parcel used for private residential uses be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the District by more than ten percent (10%) above the amount that would have been levied in that fiscal year had there never been any such delinquencies or defaults.

The Special Tax is based on the expected demand that each parcel of real property within proposed Community Facilities District No. 2025-2 will place on the Facilities and on the benefit that each parcel derives from the right to access the Facilities. The City Council hereby determines that the proposed Facilities are necessary to meet the increased demand placed upon the City and the existing infrastructure in the City as a result of the development of the land proposed for inclusion in the District. The City Council hereby determines the rate and method of apportionment of the special tax with respect to the Special Tax set forth in Exhibit “C” to be reasonable. The Special Tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act and such special tax is not on or based upon the value or ownership of real property. In the event that a portion of the property within Community Facilities District No. 2025-2 shall become for any reason exempt, wholly or partially, from the levy of the Special Tax specified on Exhibit “C,” the City Council shall, on behalf of Community Facilities District No. 2025-2, cause the levy to be increased, subject to the limitation of the maximum Special Tax for a parcel as set forth in Exhibit “C,” to the extent necessary upon the remaining property within proposed Community Facilities District No. 2025-2 that is not exempt in order to yield the Special Tax revenues required for the purposes described in this Section 5. The obligation to pay the Special Tax may be prepaid only as set forth in Section G of Exhibit “C” hereto.

**Section 6.**

A public hearing (the “Hearing”) on the establishment of the proposed Community Facilities District No. 2025-2, the proposed rate and method of apportionment of the Special Tax and the proposed issuance of bonds to finance the Facilities and the Incidental Expenses shall be held at 6:00 p.m., or as soon thereafter as practicable, on April 2, 2025, at the City Council Chambers, 29844 Haun Road, Menifee, California. Should the City Council determine to form the District, a special election will be held to authorize the issuance of the bonds and the levy of the special tax in accordance with the procedures contained in Government Code Section 53326. If held, the proposed voting procedure at the election will be a landowner vote with each landowner who is the owner of record of land within the

District at the close of the Hearing, or the authorized representative thereof, having one vote for each acre or portion thereof owned within the proposed District. Ballots for the special election may be distributed by mail or by personal service.

**Section 7.** At the time and place set forth above for the Hearing, the City Council will receive testimony as to whether the proposed Community Facilities District No. 2025-2 shall be established and as to the method of apportionment of the special tax and shall consider:

(a) if an ad valorem property tax is currently being levied on property within proposed Community Facilities District No. 2025-2 for the exclusive purpose of paying principal of or interest on bonds, lease payments or other indebtedness incurred to finance construction of capital facilities; and

(b) if the capital facilities to be financed and constructed by Community Facilities District No. 2025-2 will provide the same services as were provided by the capital facilities mentioned in subsection (a); and

(c) if the City Council makes the findings specified in subsections (a) and (b) above, it will consider appropriate action to determine whether the total annual amount of ad valorem property tax revenue due from parcels within Community Facilities District No. 2025-2, for purposes of paying principal and interest on the debt identified in subsection (a) above, shall not be increased after the date on which Community Facilities District No. 2025-2 is established, or after a later date determined by the City Council with the concurrence of the legislative body that levied the property tax in question.

**Section 8.** At the time and place set forth above for the Hearing, any interested person, including all persons owning lands or registered to vote within proposed Community Facilities District No. 2025-2, may appear and be heard.

**Section 9.** Each City officer who is or will be responsible for providing the Facilities within proposed Community Facilities District No. 2025-2, if it is established, is hereby directed to study the proposed District and, at or before the time of the above-mentioned Hearing, file a report with the City Council containing a brief description of the public facilities by type that will in his or her opinion be required to meet adequately the needs of Community Facilities District No. 2025-2 and an estimate of the cost of providing those public facilities, including the cost of environmental evaluations of such facilities and an estimate of the fair and reasonable cost of any Incidental Expenses to be incurred.

**Section 10.** The District may accept advances of funds or work-in-kind from any source, including, but not limited to, private persons or private entities, for any authorized purpose, including, but not limited to, paying any cost incurred in creating Community Facilities District No. 2025-2. The District may enter into an agreement with the person or entity advancing the funds or work-in-kind, to repay all or a portion of the funds advanced, or to reimburse the person or entity for the value, or cost, whichever is less, of the work-in-kind, as determined by the City Council, with or without interest.

- Section 11.** The City Clerk is hereby directed to publish a notice (the “Notice”) of the Hearing pursuant to Section 6061 of the Government Code in a newspaper of general circulation published in the area of proposed Community Facilities District No. 2025-2. The City Clerk is further directed to mail a copy of the Notice to each of the landowners within the boundaries of the District at least 15 days prior to the Hearing. The Notice shall contain the text or a summary of this Resolution, the time and place of the Hearing, a statement that the testimony of all interested persons or taxpayers will be heard, a description of the protest rights of the registered voters and landowners in the proposed district and a description of the proposed voting procedure for the election required by the Act. Such publication shall be completed at least seven (7) days prior to the date of the Hearing.
- Section 12.** The reasonably expected aggregate maximum principal amount of the bonded indebtedness to be incurred by the District in one or more series for the Facilities and Incidental Expenses is Seven Million Dollars (\$7,000,000).
- Section 13.** The form of the Reimbursement Agreement is hereby approved. The Mayor, the City Manager, the Chief Financial Officer, or their written designees are hereby authorized and directed to execute and deliver the Reimbursement Agreement in the form on file with the City Clerk with such changes, insertions and omissions as may be approved by the officer or officers executing such agreement, said execution being conclusive evidence of such approval.
- Section 14.** Except to the extent limited in any bond resolution or trust indenture related to the issuance of bonds, the City Council hereby reserves to itself all rights and powers set forth in Section 53344.1 of the Act (relating to tenders in full or partial payment).
- Section 15.** This Resolution shall be effective upon its adoption.

$$B = (U \times A) / L$$

The terms above have the following meanings:

B = Backup Special Tax per Assessor's Parcel classified as Single-Family Residential Property or Approved Property expected to be classified as Single-Family Residential Property within the Final Map.

U = Maximum Special Tax per Acre of Undeveloped Property per Section D.3 below.

A = Acreage of Single-Family Residential Property expected to exist after build out in such Final Map at the time of calculation, as determined by the Administrator

L = Number of Assessor's Parcels of Single-Family Residential Property expected to exist after build out in such Final Map at the time of calculation, as determined by the Administrator.

In the event any portion of the Final Map is changed or modified, the Backup Special Tax for all Assessor's Parcels within such changed or modified area shall be \$21,084 per Acre.

Notwithstanding the foregoing, the Backup Special Tax for an Assessor's Parcel of Developed Property for which a certificate of occupancy has been granted may not be revised.

In the event any superseding Final Map is recorded as a Final Map within the boundaries of the CFD, the Backup Special Tax for all Assessor's Parcels within such Final Map shall be \$21,084 per Acre. The Backup Special Tax shall not apply to Multifamily Residential Property or Non-Residential Property.

The Maximum Special Tax for each Assessor's Parcel of Approved Property expected to be classified as Single-Family Residential Property shall be the Backup Special Tax computed pursuant to Section D.1.c above.

The Maximum Special Tax for each Assessor's Parcel of Approved Property not expected to be classified as Single-Family Residential Property shall be \$21,084 per Acre.

On each July 1, commencing July 1, 2026, the Maximum Special Tax rate for Approved Property shall be increased by two percent (2.00%) of the amount in effect in the prior Fiscal Year.

**3. Undeveloped Property and Provisional Undeveloped Property**

The Maximum Special Tax for each Assessor's Parcel of Undeveloped Property and Provisional Undeveloped Property shall be \$21,084 per Acre.

On each July 1, commencing July 1, 2026, the Maximum Special Tax rate for Undeveloped Property and Provisional Undeveloped Property shall be increased by two percent (2.00%) of the amount in effect in the prior Fiscal Year.

## **E. METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing Fiscal Year 2025-2026 and for each subsequent Fiscal Year, the City Council shall levy Special Taxes on all Taxable Property in accordance with the following steps:

- Step One: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax rates in Table 1 to satisfy the Special Tax Requirement.
- Step Two: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Approved Property at up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.
- Step Three: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.
- Step Four: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax levy on each Assessor's Parcel of Developed Property for which the Maximum Special Tax is the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to 100% of the Backup Special Tax as needed to satisfy the Special Tax Requirement.
- Step Five: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Undeveloped Property up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Assessor's Parcel of Residential Property as a result of a delinquency in the payment of the Special Tax applicable to any other Assessor's Parcel be increased by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

## **F. EXEMPTIONS**

The City shall classify as Exempt Property, in the following order of priority, (i) Assessor's Parcels that are owned by, irrevocably offered for dedication, encumbered by or restricted in use by the State of California, Federal or other local governments, including school districts, (ii) Assessor's Parcels that are used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) Assessor's Parcels that are owned by, irrevocably offered for dedication, encumbered by or restricted in use by a homeowners' association, (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, (v) Assessor's Parcels that are privately owned and are encumbered by or restricted solely for public uses or (vi) Assessor's Parcels restricted to other types of public uses determined by the City Council, provided that no such classification would reduce the sum of all Taxable Property to less than 16.39 Acres.

Notwithstanding the above, the City Council shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of all Taxable Property to less than 16.39 Acres. Assessor's Parcels that cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to less than 16.39 Acres will be classified as Provisional Undeveloped Property, and will be subject to Special Tax pursuant to Step Five in Section E.

## **G. PREPAYMENT OF SPECIAL TAX**

The following additional definitions apply to this Section G:

**"CFD Facilities"** means \$5,000,000 expressed in 2025 dollars, which shall increase by the Construction Inflation Index on July 1, 2026, and on each July 1 thereafter, or such lower amount (i) determined by the City Council as sufficient to provide the facilities under the authorized bonding program for CFD No. 2025-2, or (ii) determined by the City Council concurrently with a covenant that it will not issue any more Bonds to finance additional facilities to be supported by Special Tax levied under this Rate and Method of Apportionment.

In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the City that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

**"Future Facilities Costs"** means the CFD Facilities minus (i) amounts deposited in the Construction Fund, (ii) amounts deposited in any escrow accounts funded by the Outstanding Bonds and anticipated to fund public facilities costs, and (iii) public facility costs funded by interest earnings on the Construction Fund actually earned prior to the date of prepayment, but in no event shall such amount be less than zero.

### **1. Prepayment in Full**

The Special Tax obligation may be prepaid and permanently satisfied for (i) Assessor's Parcels of Developed Property, (ii) Assessor's Parcels of Approved Property or Undeveloped Property for which a Building Permit has been issued, (iii) Assessor's Parcels of Approved Property or Undeveloped Property for which a Building Permit has not been issued and (iv) Assessor's Parcels of Provisional Undeveloped Property. The Special Tax obligation applicable to an Assessor's Parcel may be fully prepaid and the obligation to pay the Special Tax for such Assessor's Parcel permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation for such Assessor's Parcel shall provide the CFD Administrator with written notice of intent to prepay, and within 5 business days of receipt of such notice, the CFD Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the Prepayment Amount (as defined below) for

the Assessor's Parcel. Within 15 days of receipt of such non-refundable deposit, the CFD Administrator shall notify such owner of the Prepayment Amount for the Assessor's Parcel. Prepayment must be made not less than 60 days prior to the redemption date for any Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount shall be calculated as follows (some capitalized terms are defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
Equals:	Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For an Assessor's Parcel of Developed Property, compute the Maximum Special Tax for the Assessor's Parcel. For an Assessor's Parcel of Approved Property or Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax for the Assessor's Parcel as though it was already designated as Developed Property, based upon the Building Permit that has been issued for the Assessor's Parcel. For an Assessor's Parcel of Approved Property or Undeveloped Property for which a Building Permit has not been issued, or Provisional Undeveloped Property, compute the Maximum Special Tax for the Assessor's Parcel.
3. Divide the Maximum Special Tax derived pursuant to paragraph 2 by the total amount of Maximum Special Taxes that could be levied assuming build out of all Assessor's Parcels of Taxable Property based on the applicable Maximum Special Tax for Assessor's Parcels of Developed Property not including any Assessor's Parcels for which the Special Tax obligation has been previously prepaid.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Determine the Future Facilities Costs.
7. Multiply the quotient derived pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to determine the amount of Future Facilities Costs for the Assessor's Parcel (the "Future Facilities Amount").
8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax prepayments.
9. Determine the Special Taxes levied on the Assessor's Parcel in the current Fiscal Year that have not yet been paid.

10. Determine the amount the CFD Administrator reasonably expects to derive from the investment of the Bond Redemption Amount and the Redemption Premium from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.

11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the "Defeasance Amount").

12. Verify the administrative fees and expenses of the CFD, the cost to invest the Prepayment Amount, the cost of redeeming the Outstanding Bonds, and the cost of recording notices to evidence the prepayment of the Special Tax obligation for the Assessor's Parcel and the redemption of Outstanding Bonds (the "Administrative Fees and Expenses").

13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.

14. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit.

15. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds or make debt service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by the CFD.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such event, the increment above \$5,000 or an integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Special Tax prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined pursuant to paragraph 9 above, the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for the Assessor's Parcel from the County tax roll. With respect to any Assessor's Parcel for which the Special Tax obligation is prepaid, the City Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Tax obligation and the release of the Special Tax lien for the Assessor's Parcel, and the obligation to pay the Special Tax for such Assessor's Parcel shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Tax that may be levied on all Assessor's Parcels of Taxable Property after the proposed prepayment will be at least 1.1 times maximum annual debt service on the Bonds that will remain outstanding after the prepayment plus the estimated annual Administrative Expenses.

Tenders of Bonds in prepayment of the Special Tax obligation may be accepted upon the terms and conditions established by the City Council pursuant to the Act. However, the use of Bond tenders shall only be allowed on a case-by-case basis as specifically approved by the City Council.

## **2. Prepayment in Part**

The Special Tax obligation for an Assessor's Parcel of Developed Property, Approved Property, Undeveloped Property, or Provisional Undeveloped Property may be partially prepaid. For purposes of determining the Partial Prepayment Amount, the provisions of Section G.1 shall be modified as provided by the following formula:

$$PP = ((P_E - A) \times F) + A$$

These terms have the following meaning:

PP = Partial Prepayment Amount

$P_E$  = the Prepayment Amount calculated according to Section G.1

F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax obligation

A = the Administrative Fees and Expenses determined pursuant to Section G.1

The owner of an Assessor's Parcel who desires to partially prepay the Special Tax obligation for the Assessor's Parcel shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax obligation, (ii) the percentage of the Special Tax obligation such owner wishes to prepay, and (iii) the company or agency that will be acting as the escrow agent, if any. Within 5 days of receipt of such notice, the CFD Administrator shall notify such property owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the Partial Prepayment Amount. Within 15 business days of receipt of such non-refundable deposit, the CFD Administrator shall notify such owner of the amount of the Partial Prepayment Amount for the Assessor's Parcel. A Partial Prepayment Amount must be made not less than 60 days prior to the redemption date for the Outstanding Bonds to be redeemed with the proceeds of the Partial Prepayment Amount.

With respect to any Assessor's Parcel for which the Special Tax obligation is partially prepaid, the CFD Administrator shall (i) distribute the Partial Prepayment Amount as provided in Paragraph 15 of Section G.1, and (ii) indicate in the records of the CFD that there has been a partial prepayment for the Assessor's Parcel and that a portion of the Special Tax obligation equal to the remaining percentage  $(1.00 - F)$  of the applicable Special Tax will continue to be levied on the Assessor's Parcel pursuant to Section E.

## **H. TERMINATION OF SPECIAL TAX**

For each Fiscal Year that any Bonds are outstanding the Special Tax shall be levied on all Assessor's Parcels subject to the Special Tax pursuant to Section E. The Special Tax shall cease not later than the 2070-2071 Fiscal Year, however, Special Taxes will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined (i) that all the required interest and principal payments on the CFD No. 2025-2 Bonds have been paid; (ii) all authorized facilities of CFD No. 2025-2 have been acquired and all reimbursements to the developer have been paid, (iii) no delinquent Special Taxes remain uncollected and (iv) all other obligations of CFD No. 2025-2 have been satisfied.

## **I. MANNER OF COLLECTION**

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that CFD No. 2025-2 may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

## **J. APPEALS OF SPECIAL TAXES**

Any taxpayer may file a written appeal of the Special Taxes levied on his/her Assessor's Parcel(s) with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims

the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Assessor's Parcel(s). No refunds of previously paid Special Taxes shall be made unless approved by the CFD Administrator.

The CFD Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Taxes and any taxpayer who appeals, as herein specified.

1. The undersigned is the owner (the “Owner”) of more than 10% of the land depicted in Exhibit A hereto and described in Exhibit B hereto (the “Property”). The Property constitutes all of the land included within the boundaries of a community facilities district hereby proposed to be established. The Property is located within the City of Menifee (the “City”) in the County of Riverside.

2. The Owner requests that the City Council of the City (the “City Council”) institute proceedings to establish a community facilities district to be known as “Community Facilities District No. 2025-2 (Quartz Trail) of the City of Menifee” (referred to herein as the “District”) pursuant to Chapter 2.5 (commencing with Section 53311), Part 1, Division 2, Title 5, of the Government Code of the State of California, commonly known as the “Mello-Roos Community Facilities Act of 1982” (the “Act”) to include all of the Property.

3. The boundaries of the territory that is proposed for inclusion in the District are those depicted in Exhibit A hereto and described in Exhibit B hereto.

4. **REIMBURSEMENT AGREEMENT  
RE PROPOSED  
COMMUNITY FACILITIES DISTRICT NO. 2025-2  
(QUARTZ TRAIL) OF THE CITY OF MENIFEE**

THIS REIMBURSEMENT AGREEMENT RE PROPOSED COMMUNITY FACILITIES DISTRICT NO. 2025-2 (QUARTZ TRAIL) OF THE CITY OF MENIFEE (the “Agreement”) dated as of February 1, 2025, is entered into by and between the City of Menifee, a general law city organized and existing under the laws and constitution of the State of California (the “City”), and Lennar Homes of California, LLC, a California limited liability company (the “Developer”).

***RECITALS:***

A. The Developer is developing approximately 30 acres of land described in Exhibit A attached hereto (the “Property”) for which the Developer desires to include the Property within proposed Community Facilities District No. 2025-2 (Quartz Trail) of the City of Menifee (the “District”) to be established by the City pursuant to the Mello-Roos Community Facilities Act of 1982 (Government Code Section 53311 *et seq.*) (the “Act”).

B. The City and the Developer are desirous of entering into this Agreement in order to provide a mechanism by which the Developer may advance certain costs related to the cost of formation of the District, and to provide that such District, if formed, will reimburse the Developer for the amounts advanced hereunder.

**AGREEMENT**

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

1. Recitals. Each of the above recitals is incorporated herein and is true and correct.
2. Potential Formation of the District and Issuance of Bonds.

(a) At the request of the Developer or other landowner of the Property, the City will undertake to form the District. The City will retain, at the Developer’s expense, the necessary consultants to analyze the proposed formation of the District and issuance of bonds, including an engineer, special tax consultant, financial advisor, bond counsel, market absorption consultant, appraiser and other consultants deemed necessary by the City. In addition, City staff time spent in connection with the formation of the District and the issuance of bonds shall be at Developer’s expense.

(b) In order to fund the process of analyzing the potential formation of the District, the Developer has caused to be advanced to the City a sum totaling \$70,000. From time to time, the Developer shall make additional advances to the City within 15 days following receipt from the City of a request for an additional advance to cover the costs of forming the District and/or issuing bonds. In the event the Developer does not deliver the requested amount to the City within such 15-day period, the City will have no obligation to proceed with the analysis or bond issue unless and until such additional advance is received. The Developer shall have the right to notify the City at any time, in writing, of its intention to abandon the formation of the District or the issuance of bonds. Upon receipt of such notice, the City shall instruct its consultants to cease work as soon as practicable. The

Developer shall be responsible for paying all costs and expenses incurred by the City or any City consultant or advisor prior to the date on which the City's consultants are notified of the Developer's notice of abandonment. Notwithstanding a decision of the Developer to abandon the formation of the District or the issuance of bonds, the City may, in its sole discretion, elect to proceed with formation of the District and/or the issuance of bonds with funds other than those of the Developer; provided, however, that, in executing this Agreement, the Developer or owner of the Property shall not be deemed to have waived their right to object to the formation of the District or the issuance of bonds.

(c) The City will provide to the Developer on request a summary of how the advances have been spent and the unexpended balance remaining. With the exception of \$5,000, which is nonrefundable, amounts advanced by the Developer will be reimbursable to the Developer, without interest, from the proceeds of bonds issued by the District when and if the District is formed. In the event that bonds are not issued to provide a source of reimbursement to the Developer, the City shall have no liability to the Developer to reimburse them for any amounts previously advanced by the Developer and expended by the City in accordance with this Agreement.

3. Reimbursement Procedure. The City shall return any funds that have been advanced by the Developer that are not expended on the purposes set forth in Section 2 above. Such returned funds shall be without interest.

4. Abandonment of CFD Formation Process. The Developer understands that any formation of the District shall be in the sole discretion of the City. No provision of this Agreement shall be construed as a promise, warranty or agreement by the City to form the District, to annex the Property to any other district or improvement area of the City or to issue any bonds. The City shall have no liability to Developer for its decision not to form the District or issue bonds.

5. Indemnification and Hold Harmless. The Developer hereby assumes the defense of, and indemnifies and saves harmless, jointly and severally, the City and each of its officers, directors, employees and agents, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of, or arising out of any acts or omissions taken by the Developer or any of the Developer's officers, employees, contractors and agents with respect to the formation of the District. Notwithstanding the foregoing, the Developer shall not be liable for double indemnity nor for the negligence or willful misconduct of the City or any of its officers, directors, employees and agents.
